Re-upholstery Service

In addition to the manufacture of new furniture, ACE Furniture also offers a full renovation and re-upholstery service.

We work closely with our customers to ensure little inconvenience is caused in the day to day running of their business when any refurbishment work is required.

When the furniture reaches our shop floor, all old fabric is removed.

Where appropriate, the foam is replaced to conform to the latest fire regulation material.

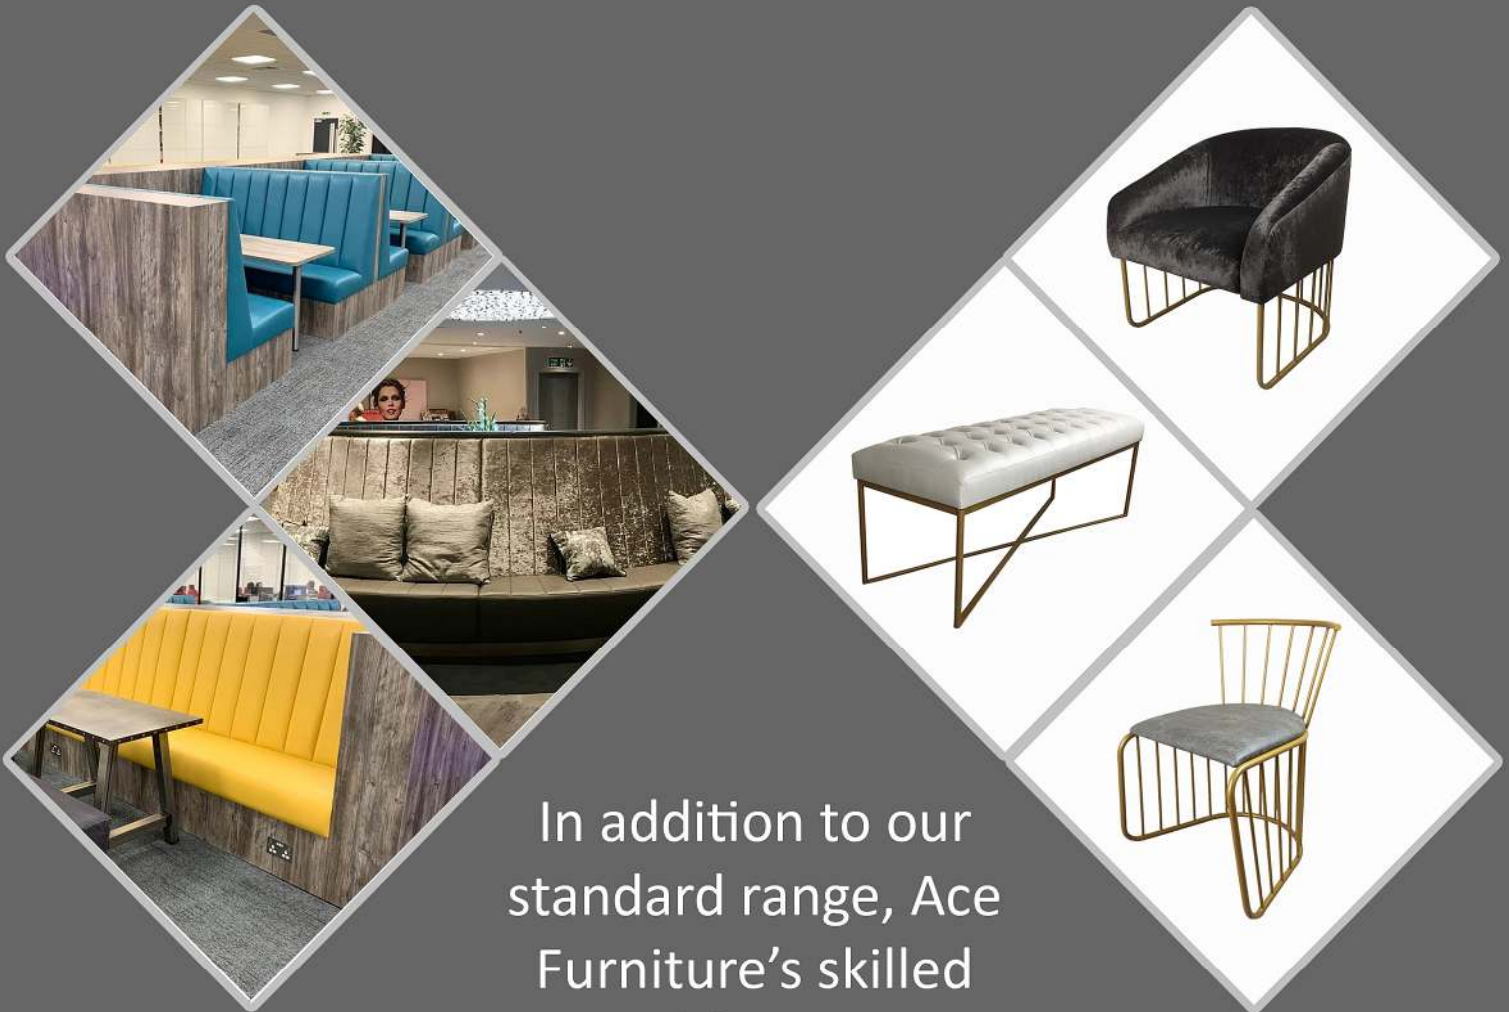

We re-upholster in a vast choice of hard wearing BS5852 CRIB 5 fabrics, vinyls or faux leathers from our standard hospitality collection.

Contact the sales office for a tailored quote.
